The Tech Challenge

Design Sheet Template

When brainstorming, it often helps to create a design sheet for each idea so that you can keep track of your ideas and add them to your journal.

This is a sample template for a design sheet. Feel free to create your own.

Design Sheet # _____

Design Name: _____

Designer: _____

Pros   Cons

_____   _____

_____   _____

_____   _____

How would this design work?

Questions and challenges:

Sketch:
