Membership

If you love science and technology, you belong at The Tech Interactive. As a member you'll enjoy terrific benefits, including free admission for a year, invitations to exclusive events, discounts and more.

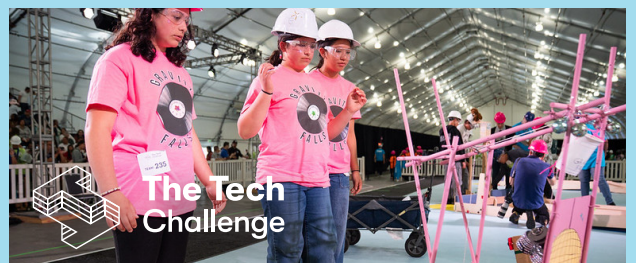

Become a member today!
thetech.org/membership

Students entering third grade through sixth grade will make, tinker, and grow! In each week-long session, campers will collaborate to explore big ideas and make hands-on projects inspired by that week's theme.

Sign up today at:
thetech.org/camp

The Tech Challenge

The Tech Challenge invites teams of students in Grades 4-12 to use the engineering design process to solve a real-world problem.

Register by April 1, 2026.
