Visual Schedule Instructions

A visual schedule can help you plan your visit to Sensory Friendly Hours @ The Tech. Here are instructions:

1. Begin by cutting out all the cards and preparing them with a removable adhesive such as velcro. Velcro is recommended over tape or glue to allow for flexibility and the ability to easily change your schedule to meet your family’s needs.

2. Look over the Museum Maps to orient yourself to The Tech.

3. From the Galleries section, choose the galleries you would like to visit.

4. From the Other Options section, choose the options you would like to experience.

5. In the Schedule section, arrange the photo cards in the sequence you would like to visit.
Innovations in Health Care, presented by El Camino Hospital

The exhibit invites you to explore advances in health care technology and become a part of the innovation process.

BioDesign Studio - New!

Biology is technology. How would you use it to change the world?

Play, tinker and design with the building blocks of life.

Social Robots

Design, build and program a real robot using sensors, controllers and activators.

The Tech Studio

A playground where innovation happens — part prototyping studio, part hackerspace, and part learning center. Lively, hands-on STEM programs that connect to the world of science and technology.

Body Metrics, presented by Kaiser Permanente

Measure your moods and motions with wearable tech that helps you reveal your digital identity, examine human connections and become a healthier you. Technology sponsored by NetApp.

Cyber Detectives, presented by Palo Alto Networks

Your mission: Empower yourself in a digital age. Learn to crack codes, spot scams, and prevent crime like a cyber security pro.

Hackworth IMAX® Dome Theater

Immerse yourself in the unique IMAX dome movie experience. See, hear and feel more with more than 9,000 square feet of wrap-around image that will educate and entertain.

New Venture Hall

3,600 square feet of flexible event space available for rent. To book your event call 1-408-795-6221.

The Tech Store

Find special gifts, books, and unique Silicon Valley items, plus educational materials.

The Tech Cafe

Lunch with Tony offers a varied menu for adults and children.

Exploration Gallery

Explore our planet and beyond as you shake in an earthquake and learn about space technologies.

Social Robots

Design, build and program a real robot using sensors, controllers and activators.

The Tech Studio

A playground where innovation happens — part prototyping studio, part hackerspace, and part learning center. Lively, hands-on STEM programs that connect to the world of science and technology.

This map is reusable. Please consider returning your map to the information desk so that another guest can use it.

For the benefit of all our guests, food or drinks are not allowed in the exhibit areas.

Please note: The museum is undergoing renovations in several areas; portions of this map may change. Thank you for your patience as we work to improve the guest experience at The Tech.
