

Vocabulary Choice Board

Using the vocabulary provided for your lab, choose **3 activities** to complete. With written work, please underline or highlight the vocabulary word(s).

TEACHERS: Please have students complete at least one activity before the lab to help with vocabulary concepts.

FLASHCARDS

Create flashcards for **every vocabulary word**. Include the word and a picture (drawn or a photograph) on one side, and the definition on the back. Have your family or friends use these to test you on your vocabulary knowledge. Test them, too!

TECHNOLOGY
ENGINEERING
COOL
HAPPY

ACROSTIC POEM

Choose a vocabulary word and write it vertically. Each letter will be the first letter of a word or sentence that will describe the overall vocabulary word. Do this for **8 vocabulary words**.

SUMMARIZE IT

Using at least **9 vocabulary words**, write a summary of what you learned with The Tech Interactive lab. Make sure each word is in its own sentence, and that it is underlined.

PICTURE IT

Make a comic strip with 8 panels which explains the lab topic, and includes **at least one vocabulary word in each panel**.

QUIZ IT

Create a **15 question quiz**, making sure you use each vocabulary word in the question or the answer. Test it out on your friends or family and see how well they do!

SING IT

Write a poem, song or rap about the topic, using at least **9 vocabulary words**. Include a description of the word, it's effect on the world, and what it does.

SYNONYM/ ANTONYM

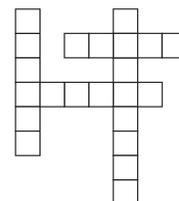

Find a synonym and antonym for **10 vocabulary words**. Detail which is which, and give definitions.

RIDDLE ME

Create a riddle for at least **8 vocabulary words**. Your riddle should have a minimum of 3 lines, be written in the first person, and must end with "What am I?"

CROSSWORD PUZZLE

Create a crossword puzzle using at least **10 vocabulary words**, and a clue for each word. Remember to include the answer key!
